WAMTech attends the China International Import Expo (CIIE) in Shanghai

WAMTech had the privilege of attending the first China International Import Expo (CIIE), which took place from 05-10 November 2018 at the Shanghai National Exhibition and Convention Centre (NECC) in China.

WAMTech was invited to be part of the official South African delegation representing small businesses. The Department of Small Business Development (DSBD) in partnership with the Small Enterprise Development Agency (Seda) hosted the delegation on a mission to expand trade between small business in South Africa and China. An invitation was extended to 10 National Gazelles, of which WAMTech has been a member since 2016, to accompany the DSBD Deputy Minister, Mr. Cassel Mathale, and the CEO of Seda, Ms. Mandisa Tshikwatamba, as part of the South African delegation.
